WORLD-CLASS ICE

ANYWHERE, ANYTIME!

# DELIVERING WORLD-CLASS ICE SOLUTIONS

At Ice-World, we deliver high-performance ice solutions anywhere in the world. Whether you need a temporary training facility, an ice rink for a major event, or a permanent ice rink installation, we design and build high-performance real ice rinks tailored to your specific requirements, with efficient installation and dismantling ensuring minimal disruption on site.

With over 30 years of international experience and hundreds of successful projects worldwide, we support cities, communities, event agencies, and sports federations with reliable ice solutions, indoors or outdoors, temporary or permanent, for both recreational use and elite sport.

Ice is our expertise. Our mission is clear: to deliver consistent, high-quality real ice, anywhere, anytime.

## ANY SPORT, ANY EVENT

Permanent or temporary, our versatile rinks meet every need from speed skating and curling to ice hockey and more, indoors or outdoors.

## PERFORMANCE AND RELIABILITY

Backed by 30 years of experience, our ice quality is of the highest standard, recognized by official federations such as KNSB, IIHF, ISU and NHL.

## FLEXIBILITY AND INNOVATION

Whether upgrading old systems or building new arenas, we tailor solutions to your venue and schedule.

## EXPERTISE YOU CAN TRUST

Our passionate team combines decades of global experience with technical know-how and consistently delivering top level performance.

## SUSTAINABLE ICE

Our rinks use up to 40% less energy and run on green power, delivering world-class ice with a smaller footprint, wherever you need it.

## OUR ICE, YOUR WAY

From elite competitions to community rinks, Ice-World brings your vision to life-reliable, innovative, and built to last.

# WHERE PASSION MEETS PERFORMANCE

Ice sports are thriving, from packed arenas to global TV shows, the popularity of ice events is growing rapidly. But with that success comes a challenge: the demand for modern, high-quality ice facilities is greater than ever, while the availability remains limited in many regions.

At Ice-World, we help create the temporary and permanent ice surfaces and venues where passion turns into performance, and where the champions of tomorrow can rise.

# SPEED SKATING

Speed skating is a sport where the difference between winning and losing can be 100ths of a second. So the ice has to be just right at all times. Ice-World rinks are ISU-approved.

# FIGURE SKATING

Figure skating blends artistry and athleticism, requiring flawless ice for jumps, spins, and glides. Ice-World provides turnkey rinks designed for all levels, with expert maintenance and certified markings.
